Tribalism is the state of being organized by, or advocating for, tribes or tribal lifestyles. Human evolution has primarily occurred in small groups, as opposed to mass societies, and humans naturally maintain a social network. In popular culture, tribalism may also refer to a way of thinking or behaving in which people are loyal to their social group above all else, or, derogatorily, a type of ...

Transhuman, or trans-human, is the concept of an intermediary form between human and posthuman. In other words, a transhuman is a being that resembles a human in most respects but who has powers and abilities beyond those of standard humans. These abilities might include improved intelligence, awareness, strength, or durability.
