The rest of the book covers why one might have one, information about deciding to have a c-section and what you can do to avoid having a c-section. Good coverage of basics of recovery and includes tips and personal stories.

C-Section Recovery Books

3 Section 1 Basic Types and Operators C provides a standard, minimal set of basic data types. Sometimes these are called "primitive" types. More complex data structures can be built up from these basic types.

Essential C - Stanford CS Ed Library

The front matter is the only section where a page can be easily added once the book is in page proofs (printed typeset pages that show all elements as they will appear in a printed book). Because of this, the front matter has a separate page numbering sequence from the rest of the book.

Understanding the Basic Sections of a Book
