purposes for which the People establish democratic government are the protection and promotion of their

rights, interests, and welfare. Democracy requires that each individual be free to participate in the political community's self-government. Thus political freedom lies at the heart of the concept of democracy.

### **The Concepts and Fundamental Principles of Democracy**

Democratic societies are committed to the values of tolerance, cooperation, and compromise. In the words of Mahatma Gandhi, Intolerance is itself a form of violence and an obstacle to the growth of a true democratic spirit. Fair, frequent, and well-managed elections are essential in a democracy. Here, election officials staff a voting station in Paraguay.
