sex, can be deviant in certain places, criminal in some places, and perfectly acceptable elsewhere. According to sociologist William Graham Sumner, deviance is a violation of

Chapter 7: Deviance, Crime, and Social Control

research question driving this study is; how do parents influence deviant behavior in their adolescents? It is believed that a parent will directly affect deviant behavior through parenting and the family structure, while indirectly affecting the behaviors through the adolescents community, and their choice of peers.

How Parents Influence Deviant Behavior among Adolescents

Recently, Peterson and Bailey (1988) have examined the macro social determinants of police killings within a theoretical context and concluded that social conditons which bring civilians and law enforcement officers into conflict are central to an understanding of police killings.

Conflict theory and police killings: Deviant Behavior: Vol

Chapter Six: Deviance and Social Control Learning Objectives Explain the concept of deviance and why it is relative in nature. Analyze how ideal and real norms work together in determining what is deviant. Compare and contrast the competing explanations of deviance. Discuss the differential association theory.
