The Essence of Discovery | Building Design + Construction

the essence of his discovery is that the universe is "obey-ing" a force of love and giving. This force is what Abraham and all the prophets in the Bible call "The Creator." When Biblical figures speak of the Creator, or the Lord, or God, they speak not of a being, but of a force of love and giving, and how they perceive it.

Kabbalah for Beginners

"What Is Truth?" by Bertrand Russell and what is the nature of the correspondence which must subsist between belief and fact, in order that belief may be true.

"What Is Truth?" by Bertrand Russell - Lander University

Descartes has a specific answer to this question: the human mind comes supplied with innate ideas that allow it to perceive the main properties of God (infinity and perfection), the essence of matter, and the essence of mind.
