Accurate and Reliable DoD Component-level Financial Management Trial Balances Attachment 1 of 2: Additional General Ledger Guidance 1 Component Consolidated General Ledgers: Each component should consider consolidating component subsidiary trial balances from other target systems into the component's primary target financial management system.

Accurate and Reliable DoD Component-level Financial

Further, other military components, such as the Air Force and the Navy, share some of the same process and system risks as the Army. Today's remarks are based on our report, "DOD Financial Management: The Army Faces Significant Challenges in Achieving Audit Readiness for Its Military Pay," which is being released today.
