dont smile until christmas pdf

Don't Smile Until Christmas: The Promise of Positive Psychology in the Classroom Patty O'Grady, Ph.D. University of Tampa The shiny new students who want to be teachers arrive in my classroom.

Don't Smile Until Christmas - Psychology Today

An old adage that circulates around teaching departments tells us, "Don't smile until Christmas." This implies teachers should begin their year as strict, uninviting individuals who maintain tight control over their students by restricting their personal, relational interactions.

"Don't Smile Until Christmas" and Other Bad Advice

During my own teacher-training many years ago, we were told not to smile until Christmas or our students would walk all over us. I was teaching children, ages 8-14, in an Islamic country (no Christmas), in classrooms without electricity or running water, in the southern crescent below the Sahara desert.

What I Learned in My Teacher Training: Don't Smile Until

"Don't smile until Christmas." I heard a seasoned teacher explain to a first-year educator while we were awaiting the arrival of the students on the first day. It's a common nugget of advice amongst educators "be strict in the beginning and then allow yourself to relax once the students understand (and hopefully follow) the

Myth #1: Don't Smile Until December - us.corwin.com

It's happening everywhere, just like it always has. Seasoned teachers are telling new ones, "Don't smile until Christmas." Teachers are planning their first week's instruction, adding, "I'm totally focused on breaking them in.

Why I'll Never Say "Don't Smile Until Christmas"

When I first started teaching, I actually believed in the old educational aphorism, "Don't smile until Christmas." I remember thinking, "I'm young! I look even younger. I need to lay down the hammer early so kids don't mess with me." And there I was, reading the syllabus with a ...

"Don't Smile 'til Christmas": A Teacher's Worst Advice

Don't Smile Until Christmas: The Promise of Positive Psychology in the Classroom New and novice teachers struggle with managing their classrooms, particularly in urban, disadvantaged schools. Conventional wisdom, teacher bias, and other factors are barriers to adopting the new research in the area of positive psychology.

Don't Smile Until Christmas: The Promise of Positive

New teachers, or seasoned teachers with new classes: "Don't smile until Christmas!" In the magazine, 10 August 2018 issue, there were several articles on the subject of how important it is to build the most positive and productive relationships across the school community.

New teachers, or seasoned teachers with new classes: Don't Smile Until Christmas

The old teaching adage "Don't Smile Until Christmas" has been praised and criticized, ignored and heeded, and generally very much discussed. That's because while there is a good deal of wisdom behind this saying, it is somewhat misguided in its application. The beginning of the year is ...

I don't think that being serious about teaching and learning is opposed to being friendly, kind, and caring. Not sure where that ... See More I have not been in the teaching profession that long, but some of my very favorite teachers, who I engaged with the most and learned the most from, had an easy-going way and definitely smiled - many of ...

Why I'll Never Say "Don't Smile Until Christmas"

The common classroom management wisdom we all hear is, "Don't smile before Christmas." I believe that advice is good advice when taken metaphorically. If taken directly as written, it is about the worst advice you can follow.

You Better Smile Before Christmas! | So You Want To Teach?

"Don't smile until Christmas" is one of the many pieces of advice I was given by dozens of well-intentioned teachers during my PGDE year. The theory behind it being that you need to gain authority and respect as soon as you meet your class and by smiling, joking and trying to be funny, this will never happen.

Don't smile until Christmas | Probationer Teacher Scotland

What happens to teachers during their probationary year? How far can their ideals or enthusiasms survive the first critical months on the job? Here three teacher trainers talk about some of the problems which figure in their new anthology of young teachers' experience.

Don't smile until Christmas : accounts of the first year

Smile Away. Posted on November 15, 2012 by Mrs. L. ... But after years of teaching, I've determined that a good teacher must certainly smile before Christmas! She should smile from the moment she lets her students enter the classroom on the very first day of school.

Smile Away â€“ ClassCrown - Blog

I don't think "don't smile till Christmas" is a good idea. I also don't think I have ever met a teacher that actually does it. However I do think with new classes or as a new teacher (either NQT or new to a school) that it is much easier to be strict at the start and gain control over the class and then relax to the right level, rather than ...
