elliptical galaxies to pure disk for the late-type spirals. Many other properties of galaxies also vary systematically along this sequence, albeit with considerable scatter; most notably, the fractional gas content and the relative present rate of star formation increase systematically along the Hubble sequence.

Sophocles's Oedipus the King has often inspired concurrent interpretations examining the tragic irony of the play and the traumatic neurosis of its protagonist. The Theban king epitomizes a man who knows everything but himself, and Sophocles's use of irony allows Oedipus to discover the truth in a ...
