

faith and reason in pdf

In the context of religion, one can define faith as confidence or trust in a particular system of religious belief, within which faith may equate to confidence based on some perceived degree of warrant, in contrast to a definition of faith as being belief without evidence.

Faith - Wikipedia

Faith and rationality are two ideologies that exist in varying degrees of conflict or compatibility. Rationality is based on reason or facts. Faith is belief in inspiration, revelation, or authority. The word faith sometimes refers to a belief that is held with lack of reason or evidence, a belief that is held in spite of or against reason or evidence, or it can refer to belief based upon a ...
