Frances and Bernard by Carlene Bauer is one of those rare books that make me want to buy up copies to give to everyone I know. Bauer writes an exquisite tale of Frances and Bernard entirely through letters and succeeds at creating characters that stay with the reader and make this reader want to reread the book again, another rare occurrence.

With or without knowledge of its historical inspiration, though, this is an erudite and affecting novel. Novelist Frances Reardon and poet Bernard Eliot meet at a writersâ€™ colony in the summer of 1957. Frances senses traces of John Donne in Bernardâ€™s spiritual poetry, and Bernard loves Francesâ€™ biting satire about a group of nuns.

### **Frances and Bernard, by Carlene Bauer - The Washington Post**

I admired Carlene Bauer's intelligent and deft Frances and Bernard, an epistolary novel based on an imagined passion between Flannery O'Connor and Robert Lowell that dealt with so much of great interest to me: religious identity, passionate love [with the wrong person], and the ongoing struggle for women of doing one's work.
