"Military brat" and various "brat" derivatives describe the child of a parent or parents serving full-time in the United States Armed Forces and can also refer to the subculture and lifestyle of such families.

Military brat (U.S. subculture) - Wikipedia

Military education and training is a process which intends to establish and improve the capabilities of military personnel in their respective roles. It begins with recruit training, proceeds to education and training specific to military roles, and may also include additional training during a military career. Military training may be voluntary or compulsory duty.

Military education and training - Wikipedia
