The FOMC holds eight regularly scheduled meetings during the year and other meetings as needed. Links to policy statements and minutes are in the calendars below.

The Fed - Meeting calendars and information

A quorum is the minimum number of members of a deliberative assembly (a body that uses parliamentary procedure, such as a legislature) necessary to conduct the business of that group. According to Robert's Rules of Order Newly Revised, the "requirement for a quorum is protection against totally unrepresentative action in the name of the body by an unduly small number of persons."
