Hey there, I'm really glad you landed on this page. Hopefully it's because you are trying to learn how to mix a song. If that's the case, then great because in this article, my goal is to get you up to par in technique and lingo on mixing music.

## **How to Mix Music: A Beginner's Guide - Modern Mixing**

Music psychology, or the psychology of music, may be regarded as a branch of both psychology and musicology. It aims to explain and understand musical behaviour and experience, including the processes through which music is perceived, created, responded to, and incorporated into everyday life. Modern music psychology is primarily empirical; its knowledge tends to advance on the basis of ...
