

music language and human pdf

Prehistoric music (previously primitive music) is a term in the history of music for all music produced in preliterate cultures (), beginning somewhere in very late geological history. Prehistoric music is followed by ancient music in different parts of the world, but still exists in isolated areas. However, it is more common to refer to the "prehistoric" music which still survives as folk ...

Prehistoric music - Wikipedia

Language is a system that consists of the development, acquisition, maintenance and use of complex systems of communication, particularly the human ability to do so; and a language is any specific example of such a system.. The scientific study of language is called linguistics. Questions concerning the philosophy of language, such as whether words can represent experience, have been debated at ...

Language - Wikipedia
