Okay, letâ€™s pretend that your body is Gotham City. Your immune system is Batman. Your joints? Well, they are tiny bat signals. Batman â€“ thinking that Gotham City is being invaded â€“ is forever going to all the bat signals and attacking everything in the vicinity, leaving behind lots of damage.

Yes, with pleasure. First, please write to the musician Ron Sexsmith, after whom the font is named, and get him to change his name. You may also want to write to Sexsmith, Alberta, Canada, and see if you can get them to change their name before any of your students inadvertently consult a map. Christian rocker Paula Sexsmith ought to be in your sights as well; don't let her feel left out.

This entire process took me an embarrassingly long stretch of time – I didn't keep close track, but I'd say four or five months. Of course my work wasn't constant, but rather, as all my work is, sporadic and crammed into naptime and preschool time and the ten minutes I can grab at any given moment during my hectically joyful days of parenting a two-year-old, being pregnant, managing a ...

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials! They are especially good lists for ELL and ELD students and are great to ...

So naturally, I have always wanted to have my own solar power farm. Until now, various excuses kept me from getting it done: no great places to put panels on the roof of my main house, slightly unfavorable local regulations, but mainly a lack of knowledge of exactly what to buy and how to install it.

I've got a question for you! If you're selling products and services (someone else's or your own) should you assume you know exactly why people would buy your stuff, simply based on the products themselves? I don't think so. I think we should first look into the primal reasons why people spend money.
