Nature, History, and Narrative 1349 The question is trickier than it seems, for it transports us into the much-contested terrain between traditional social science and postmodernist critical theory. As an environmental historian who tries to blend the analytical traditions of history with

A Place for Stories: Nature, History, and Narrative

In works of narrative, conflict is the challenge main characters need to solve to achieve their goals. Traditionally, conflict is a major literary element that creates challenges in a story by adding uncertainty to if the goal would be achieved. A narrative is not limited to a single conflict. While conflicts may not always resolve in narrative, the resolution of a conflict creates closure or ...

Conflict (narrative) - Wikipedia

A narrative or story is a report of connected events, real or imaginary, presented in a sequence of written or spoken words, or still or moving images, or both. The word derives from the Latin verb *narrare*, "to tell", which is derived from the adjective *gnarus*, "knowing" or "skilled".. Narrative can be organized in a number of thematic or formal categories: non-fiction (such as definitively ...
