The budget process is the way an organization goes about building its budget. A good budgeting process engages those who are responsible for adhering to the budget and implementing the organization's objectives in creating the budget.

Budgeting Practices | Nonprofit Accounting Basics

The Professional Risk Managers' International Association (PRMIA) is a professional organization focused on the "promotion of sound risk management standards and practices globally", and "the integration of practice and theory"; it was founded in 2002 as a non-profit. It provides certification and credentialing for professional risk managers, as well as other educational programs and resources.

Professional Risk Managers' International Association

It is also important to remember that nonprofit organizations work in both urban and rural communities, providing the support—and often the infrastructure—needed to deliver services, programs, and activities that oth-
