Later this year, at the ages of 38 and 41, the couple behind OurNextLife.com will be quitting the stressful, time-consuming jobs that they've held for most of their adult lives and will be retiring to a life in the mountains.. This is particularly interesting to me because one of my dreams is to live on the side of the mountain and get a part-time ski patrol job.

The previous article should have helped you with your frame of mind when making the call to negotiate and settle. You may start your negotiations with a simple restatement of your financial situation.

How to negotiate and settle your credit card debt on your own.

I discuss whole life insurance all the time on this blog. I don't actually post about it all that much, but the comments on these posts number over 1000, and go on for years and years after the post is written.

I have been a cynic towards people who worry about smart meters for a couple years, even was an early adopter nearly 5 years ago. The last year I have been experiencing a chronic sore throat that my doctors can't explain, my kids are developing learning disabilities, among other strange health issues.
