Numenera The Devils Spine Paperback - amazon.com

(click for PDF) A couple months ago I posted a draft version of my system cheat sheet for Numenera. At the time, I predicted that I would be running the game sooner rather than later. That turned out to be really, really true. I'm now running the game regularly for three groups: The original playtest group I organized.

Numenera: A new roleplaying game from Monte Cook

Devil's Spine (self.numenera) submitted 1 month ago by Lighthouseamour. I am putting my own spin on the Devil's spine. I want to have more opportunities to creatively problem solve than just fighting. ... The pdf says they are inscrutable and beyond comprehension which seems like a cop out. I would like something more interesting and that has ...

Devil's Spine : numenera - reddit.com

I would suggest starting with Vortex, then doing Devils spine. Devils Spine is really bloody long, and can be a little overwhelming for new players, whilst Vortex is a good way to introduce players to the world of Numenera. It also ends with a teleporter so you can take them straight to Devils Spine without an awkward jump.
