

privatization and deregulation in pdf

Deregulation is the process of removing or reducing state regulations, typically in the economic sphere. It is the repeal of governmental regulation of the economy. It became common in advanced industrial economies in the 1970s and 1980s, as a result of new trends in economic thinking about the inefficiencies of government regulation, and the risk that regulatory agencies would be controlled by ...

Deregulation - Wikipedia

The privatisation of London bus services was the process of the transfer of operation of London Buses from public bodies to private companies.. For half a century, operation of London bus services for public transport was under the direct control of a number of entities known as London Transport. The London Regional Transport Act 1984 resulted in London Regional Transport taking control of ...
