"Have You Seen Your Mother, Baby, Standing in the Shadow?" is a song by English Rock band the Rolling Stones. Written by Mick Jagger and Keith Richards, it was recorded in the late summer of 1966 during early sessions for what would become their Between the Buttons album. It was the first Stones' single to be released simultaneously (23 September 1966) in both the UK and the US, and reached number five and number nine on those countries' charts, respectively.
